BOOK SYNOPSIS

K-2 Chart Sense is the ultimate resource for primary teachers who are ready to create meaningful, standards-based charts with their students. The same literature and informational text charts that Rozlyn creates with students when she models and teaches in classrooms across the nation are all included here. Packed with over seventy photographs, K-2 Chart Sense is an invaluable guide for novice or veteran reading teachers who want authentic visuals to reinforce and provide guidance for reading skills. Organized in a simple, easy-to-use format, Rozlyn shares multiple charts for every reading informational text and literature standard. Don't mistake this as just a collection of anchor chart ideas. At over 190 pages, this book is filled with actual charts, step-by-step instructions to create your own, teaching tips, and instructional strategies.
